

The Hong Kong College of Psychiatrists &
Department of Psychiatry, Tai Po Hospital

Clinical Division of Psychotherapy Annual General Meeting cum Psychotherapy Lecture

Managing Countertransference with Borderline Patients

Speaker: Dr. Alex Esterhuyzen

Dr. Alex Esterhuyzen worked in the Mental Health Services of the National Health Service in England for over twenty years. During this time he was Consultant Psychiatrist in Psychotherapy and Senior Lecturer in Psychotherapy at St Georges Hospital in London. He was clinical lead for the Henderson unit which was a National referral centre for people with Severe Personality Disorders providing in-patient and out-patient psycho-social treatment. This talk will focus primarily on understanding and managing the powerful countertransference evoked when individuals work with someone with a personality disorder.
