The College has received a generous donation from the above named fund. After repeated consultations and discussion, the council has decided to use the fund in the following manner:

1. The best Part 2 and Part 3 candidates in the coming Fellowship examination will each be given not more than HKD 20,000 to either do an overseas attachment in psychiatry of his / her choice before July 2004 or to attend the Annual Meeting of the Royal College of Psychiatrists from 6 to 9 in July 2004 in Harrogate.
2. 2 scholarships, each of not more than HKD 20,000 will be offered to fellows of or less than 3 years seniority to do an overseas attachment to be completed before July 2004. Interested fellows please apply to Dr YK NG with (a) your plan of attachment, including reasons why your choice of subspecialty should be important to psychiatry in the territory, (b) proof of acceptance by the host department, if any, (c) recommendation by your consultant / COS.
3. The council reserves the right to allocate more or less scholarships in any one category, or not to do so at all. In case more than 2 applicants apply for category 2 there will be a panel deciding on the most suitable candidate(s).
4. Applications of category 2 should reach Dr YK NG at Kwai Chung Hospital by post, or at 2741 7452 by fax or ngyk@ha.org.hk by email before 30 November 2003.
5. Hopefully the donation will be an annual one.
