Prof. John M. Kane M.D.

The Zucker Hillside Hospital, New York, USA

John M. Kane, M.D. is the Vice President for Behavioral Health Services of Northwell Health and Chairman of Psychiatry at The Zucker Hillside Hospital. He is a Professor of Psychiatry, Neurology and Neuroscience and holds the Dr. E. Richard Feinberg Chair in Schizophrenia Research at the Albert Einstein College of Medicine. Dr. Kane received his B.A. from Cornell University and his M.D. from the New York University School of Medicine. He currently directs the NIMH-funded Advanced Center for Interventions and Services Research in Schizophrenia at The Zucker Hillside Hospital. He has been a member of the Board of Scientific Counselors for NIMH, and he has served on the council of the American College of Neuropsychopharmacology. He has chaired the NIMH Psychopathology and Psychobiology Review Committee as well as the Psychopharmacologic Drugs Advisory Committee of the Food and Drug Administration.
